

SURGICAL SUPPLIES

FRESCO BLAND ROSE

SOFT SILICONE FOR PALLIATIVE ORTHOTICS

EXPRESSIONS OF INTEREST NEEDED TO ASCERTAIN STOCK LEVELS, LIMITED STOCK UNTIL JANUARY.

Soft Silicone with really high elasticity. Bland Rose is the only silicone in the world that is soft, elastic and smooth to the touch. It hydrates the skin, helping to regenerate it and soften the harder parts. Very comfortable and eases pain immediately. It hardens with liquid catalyst or in paste.
