## Ella Baché Paris

SURGICAL SUPPLIES ARE PLEASED TO TAKE OVER AS NEW ZEALAND'S DISTRIBUTOR OF ELLA BACHE SKINCARE RANGE.

"Ella Bache" was founded in Paris by Madame Bache in 1936. Now Australia's largest skincare range is being relaunched in New Zealand. Madame Bache's skincare philosophy was based on the belief that "No two skins are alike" and each client should be treated as an individual.

We have dedicated and trained Ella Bache staff on board to help you start up your salon with the Ella Bache skincare range.

Great packages, gift with purchases, sales incentives for salons and staff.
